B. This License Agreement may be amended by Cloudflare on a prospective basis, and your usage of the Mobile SDK after such amendments or changes signifies your consent to and acceptance of any such amendments or changes on a going forward basis.

C. In the event any provision of this License Agreement is determined to be invalid, prohibited or unenforceable by a court or other body of competent jurisdiction, this License Agreement will be construed as if such invalid, prohibited or unenforceable provision has been more narrowly drawn so as not to be invalid, prohibited or unenforceable.

D. You may not assign any rights or obligations under this License Agreement without the advance written consent of Cloudflare, which may be withheld in its sole discretion. Cloudflare may assign its rights or obligations under this License Agreement in its sole discretion.

E. Failure of either party at any time to enforce any of the provisions of this License Agreement will not be construed as a waiver of such provisions or in any way affect the validity of this License Agreement or parts thereof.

F. The Mobile SDK is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the Mobile SDK. These laws include restrictions on destinations, end users and end use. In particular, but without limitation, none of the Mobile SDK may be used or otherwise exported or re-exported (a) into (or to a national or resident of) a United States embargoed country or (b) to anyone on
